

ELEVATING INDUSTRIAL STANDARDS

Precision, Performance,
and Complete Lifecycle

SOURCING GENERAL ITEM FROM CHINA

Reliable sourcing. Quality assured.
Cost efficient. Your trusted partner
for general industrial items.

PT. TEKAT SUKSES BERSAMA INDUSTRIAL GENERAL SUPPLY PROFILE

We are committed to delivering high-quality industrial products, precision engineering solutions, and reliable sourcing services to support the efficiency and productivity of modern industries.

- ✓ Precision Machining Solution
- ✓ Metrology & Measuring Instruments
- ✓ Cutting Tools Supply
- ✓ Industrial Filtration System
- ✓ Engineering & Technical Support
- ✓ Fast Response & After Sales Service

AUTHORIZED PARTNERS

PRECISION MEASUREMENT PROFESSIONALS

FLUID HANDLING SOLUTIONS

CUTTING TOOLS

PRECISION MANUFACTURING

High precision machinery
with advanced technology
and strict quality control.

CHINA SOURCING SERVICE

Sourcing general industrial items
from China with reliable suppliers
and competitive prices.

RELIABLE PARTNERSHIP

Committed to on-time delivery,
consistent quality, and long-term
business growth.

TECHNICAL SUPPORT & AFTER SALES

Professional engineering
support and fast response
after sales service.

ABOUT US

PT TSB Precision Indonesia is a trusted partner in precision engineering, industrial tools, and metrology solutions. We are committed to delivering high-quality products and technical support to improve manufacturing productivity and efficiency.

- ✓ **Precision Machining Solution**
- ✓ **Metrology & Measuring Instruments**
- ✓ **Cutting Tools Supply**
- ✓ **Industrial Filtration System**
- ✓ **Engineering & Technical Support**
- ✓ **Fast Response & After Sales Service**

3 YEARS
EXPERIENCE

**MORE THAN
20 PRODUCTS**

developed and more than
50 special development projects

**OVER 25
EXPERIENCED**

engineers in
R&D department

**MORE THAN
50 EXPERIENCED**

staff

ALL PRODUCTION 100% DONE IN OWN OFFICE:

1 Own developed & platform module

2 Own resource development.

WEB

Innovative web solutions
designed to support
your business growth.

MOBILE APPS

Custom mobile applications
built for performance
and seamless user experience.

INTEGRATED SYSTEM

Integrated system solutions
that streamline operations
and increase efficiency.

Reliable Lubricant • Peak Performance • Longer Equipment Life

1. AIR LUBRICANT

High-performance air lubricant to remove contaminants, moisture and oil from compressed air systems.

2. OIL LUBRICANT

Reliable oil lubricant to protect equipment from wear, reduce downtime and extend oil life.

3. HYDRAULIC LUBRICANT

Advanced hydraulic lubricant to ensure clean fluid, prevent system damage and maintain optimal performance.

4. INDUSTRIAL LUBRICANT SOLUTIONS

Complete lubricant systems and solutions for industrial applications, designed for efficiency, reliability and cost savings.

PROTECT EQUIPMENT

Help extend equipment life and reduce failures.

IMPROVE PERFORMANCE

Optimize efficiency and productivity.

REDUCE DOWNTIME

Minimize interruptions and maximize uptime.

LOWER OPERATING COSTS

Reduce maintenance and operating expenses.

INDUSTRIAL

FILTER SOLUTIONS

High performance filter cartridges for various industrial applications.

Reliable quality for optimal filtration.

GLOBAL SOURCING

Trusted sourcing network from China for quality industrial components.

QUALITY ASSURED

Strict quality control and testing to ensure reliable performance.

ON-TIME DELIVERY

Efficient logistics and supply chain management for timely delivery.

OUR FILTER CARTRIDGE SERIES

OPF SERIES

Oilfield Pleated Filter Cartridges

- High dirt-holding capacity
- Excellent chemical compatibility
- Long service life
- Ideal for oilfield applications

PET SERIES

Polyester Pleated Filter Cartridges

- 100% Polyester media
- High flow rate & low pressure drop
- Good chemical resistance
- Cost-effective solution

PES SERIES

Polyester Pleated Filter Cartridges

- Efficient depth filtration
- High porosity & flow rate
- Wide chemical compatibility
- Reliable performance

PEM SERIES

Polyester Pleated Filter Cartridge with Metal Core

- Stainless steel core
- High mechanical strength
- Withstands high pressure
- For high-demand applications

APC SERIES

Absolute PP Pleated Filter Cartridges

- Absolute filtration rating
- High retention efficiency
- Wide chemical compatibility
- Ideal for critical filtration

PCF SERIES

Nominal PP Pleated Cartridge Filters

- Nominal filtration rating
- High dirt-holding capacity
- Long service life
- General purpose filtration

SOURCING GENERAL ITEM FROM CHINA

We provide reliable sourcing of general industrial items from China with competitive prices and strict quality control.

TSB INSIZE MEASURING INSTRUMENTS

Precision Accuracy, Reliable Quality

1.

VERNIER
CALIPER

For measuring
external, internal,
step and depth
dimensions.

2.

DIGITAL
CALIPER

For measuring
external, internal,
step and depth
dimensions.

3.

MICROMETER

For precise
measurement of
external dimensions.

4.

DIAL
INDICATOR

For measuring small
linear movements,
displacement,
parallelism and
runout.

5.

HEIGHT
GAUGE

For measuring
height,
scribing lines
and marking on
workpieces.

6.

BORE
GAUGE

For accurate
measurement of
internal diameters
of holes.

HIGH QUALITY
Reliable & Durable

HIGH ACCURACY
Precise Measurement

PROFESSIONAL
Industrial Standards

TRUSTED PARTNER
Your Best Solution

PNEUMATIC SOLUTIONS

High Quality • Reliable Performance • 100% Tested

- 100% QUALITY ASSURANCE
- PRECISE PERFORMANCE
- LONG SERVICE LIFE
- DURABLE & RELIABLE

01

FP SERIES PNEUMATIC VIBRATORS

High Efficiency

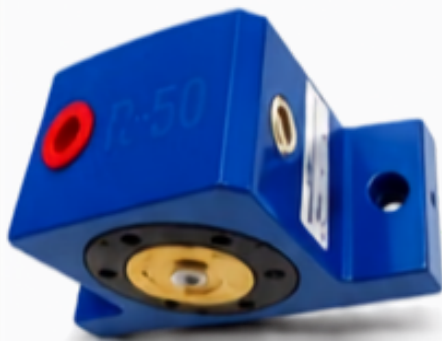

Stable Performance Installation

Easy Installation

02

R SERIES PNEUMATIC VIBRATORS

Powerful Vibration

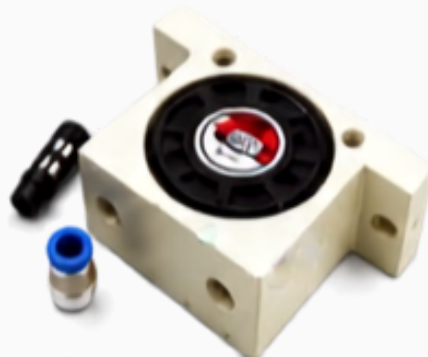

Compact Design

Reliable Operation

03

K SERIES PNEUMATIC VIBRATORS

Strong Vibration

Low Air Consumption

Maintenance Friendly

04

GT SERIES PNEUMATIC VIBRATORS

High Performance

Robust Construction

Long Service Life

SC SERIES AIR CYLINDER

Smooth Operation

High Durability

Standard Design

ADVU SERIES COMPACT AIR CYLINDER

Compact Structure

Space Saving

High Accuracy

DNC SERIES ISO CYLINDER

ISO Standard Design

High Reliability

Excellent Performance

NEW

QUALITY YOU CAN TRUST

All products are 100% tested to ensure the highest quality.

GLOBAL SUPPLY

Reliable products with worldwide service support.

CUSTOMER SATISFACTION

Committed to providing the best solutions for your business.

CUTTING TOOLS

HIGH PERFORMANCE • PRECISION • RELIABILITY

1

END MILL

High performance end mills for milling applications in various materials.

2

DRILL

Precision drills for accurate and efficient drilling performance.

3

REAMER

High precision reamers for accurate finishing and tight tolerance..

4

TAP

High quality taps for creating precise internal gears.

5

CARBIDE INSERT

Premium carbide inserts for turning, milling, and grooving applications.

6

TOOL HOLDER

Reliable tool holders for secure clamping and stable machining performance.

HIGH PRECISION
Tight tolerance for excellent results

PREMIUM QUALITY
Made from high grade materials

LONG TOOL LIFE
Durable and wear resistant

WIDE APPLICATION
Suitable for various industries

STRATEGICALLY POSITIONED FOR INDUSTRIAL RESPONSE

Reliable Partner. Responsive Service. Industrial Excellence.
